NEW YORK STATE | Department of Environmental Conservation | Department of Health

In cooperation with

ANDREW GOUNARDES, NEW YORK STATE SENATE

Jo Anne Simon, Assemblymember

Shahana Hanif, CITY COUNCIL MEMBER

Community Meeting:

Gowanus Soil Vapor Testing

Join your neighbors, elected officials, and State experts to learn how old industrial pollution may be affecting your indoor air quality – and how to get your building tested & remediated, if needed, at no cost to you.

Experts from the NYS Environmental & Health agencies will discuss results from their 2025-26 testing & upcoming testing. Come & learn how to protect your air quality! There will be Q&A.

Who Should Attend? **Property & Homeowners, Tenants & Community Members.**
